## Private Testosterone Service

### ANABOLIC STEROID BLOOD TESTS AND PRESCRIBING

Fees payable by cash or debit/credit card only. Payable upon consultation appointment. Cards accepted are MasterCard, Maestro, Visa and Visa debit. All transactions are securely processed via WorldPay Zinc

[bloods@vitruvianman.org.uk](mailto:bloods@vitruvianman.org.uk) for appointments and any enquiries.

All blood samples are obtained via venepuncture. This involves the surgical puncture of a vein (usually a large superficial one on the inner aspect of the elbow) with a needle to withdraw blood. All equipment used is sterile and single use only.

Results take 5 - 7 working days and you will be given the original results form for your reference and a written interpretation. Please read disclaimer for further details.
